NEW THIS YEAR: Polystyrene Recycling

Hard white polystyrene molded packing material will be accepted at all 2013 Hard-to-Recycle events!

PRC in partnership with NOVA Chemicals and Appliance Warehouse will collect hard white packing material for recycling free of charge.

The packing material collected will be recycled and made into new products such as decorative moldings, picture frames and clothes hangers.

For questions, directions or a detailed list of items and fees, visit us on the web or call
